

**GREG A. LANHAM**

Chief Executive Officer  
FTS International

Mr. Lanham was named CEO of FTS International in November 2012 and has served on the board of directors since May 2011. He has more than 25 years of experience in the global energy industry in both operations and investments. Previously, Mr. Lanham was the Managing Director and global head of energy and Managing Director of Investments for Australia and New Zealand at Temasek. Prior to joining Temasek, he spent 20 years with Anadarko Petroleum Corporation and assumed various leadership roles in North America and internationally, most recently as President and General Manager of Anadarko's Asian subsidiary. Mr. Lanham is a registered Professional Engineer in the state of Texas. He holds a bachelor's degree in Petroleum Engineering from the University of Oklahoma and has completed executive management training with Harvard Business School. Mr. Lanham currently serves on the boards of directors of CONSOL Energy and the United Way of Tarrant County, Texas.
